

A woman with long dark hair, wearing a light blue tank top and blue jeans, is lying back in a wicker chair with a beige cushion. She has her hands behind her head and is looking up at a white ceiling fan. The fan has three blades and a black circular light fixture with four small blue lights. The background is a bright, airy room with large windows and sheer curtains. The overall mood is relaxed and comfortable.

Comfort • Style • Delight Reinvented

PREFACE

Dishita Enterprises Pvt. Ltd. (DEPL), an ISO 9001-2015 Certified Company is a renowned OEM Company Specializing in the manufaction & marketing of "VENTUM" brand of BLDC ceiling fans for quite a long time over the years.

For over years, Ventrum fans has proudly upheld a legacy of trust & innovation. Its unwavering Commitment to excellence has driven to explore boundaries of Comfort and Style backed up by enviable performance of Products & utmost reliaablity to earn firm loyalty of countless customers.

With a Sophisticated & modern R&D setup, latest state-of-the art mannufacturing infrastructure & to oversee the entire production process, from intense PCB manufacture to assembly with stringent quality standards ensures delivery of reliable product. The passion of enriching lives has been the motivational force behind the company to give its consumers ground-breaking technologies wrapped in Customer friendly yet best-in-class & stunning design.

As a MSME Company, the Company holds esteemed Centification of ISO, BEE & BIS standards underscoring our commitment to excellence. The Company's products have gained recognition from various Government organization including Indian Railways, MECON, COAL India & VCIL to name a few. We are proud to be approved supplier of Kendriya Police Kalyan Bhandar (KPKB). With a growing retail network and pan-India service presence to monitor after sales service, we continue to expand our reach across the Country catering to diverse and wide Cross section of clientele.

We shall continue to partner our valued customers at every stage of their lives by offering superior lifestyle solution with technology that makes their world safer, easier and creatively inspiring.

SHIFT YOUR CHOICE TO VENTUM FANS & REST IN PEACE TO ENJOY TROUBLEFREE UNMATCHED PERFORMANCE WITH VENTUM WARRANTY, QUALITY ASSURANCE & COMMITMENT TO PERFECTION.

Ventum Fans

Ventum specializes in design and manufacture of BLDC motors and energy efficient ceiling fans. We are the ISO certified company and have good amount of experience in designing products that conform to various standards. Our production partner is Dishita Enterprises Private Limited that is well known for its design capabilities, test facilities, product quality and reliability.

BLDC Ceiling Fan is power-saving & also cost-efficient.

A BLDC fan reduces power consumption by up to 65% & providing powerful airflow compared to traditional ceiling fans. The speed can be controlled using smart remote from anywhere, repays you the investment within 2 years.

Stellar features of Ventum BLDC ceiling fans

- Robust & Reliable Energy efficient BLDC Motor • 65% Electricity Saving
 - Power factor: 0.95 & above • Silent Operation • High Air Delivery
- Total Harmonic Distribution: <10% • Runs 3 times longer on Inverter
 - Powerful Boost mode • Consistent speed even at Low Voltage
- No motor Overheating • Remote operated with Boost & Timer mode
 - Operates from 90-300V • Low Carbon Footprint
 - 5 Star rated as per BEE performance Criteria
- Easy to Clean & Service • BIS approved as per IS 374-2019
 - Saves upto ₹1800 in a year compared to ordinary fan
- Contemporary Look with aerodynamically designed aluminium blade

TECHNICAL PERFORMANCE

BLDC Models 5 Star rated

SIZE (mm)	Power Input (W)	Speed (RPM)	Air Delivery (CMM)	Service Value CMM/W	Power Factor
Sweep 1200	30	360	220	7.34	0.95
Sweep 1400	35	300	260	7.71	0.95

TECHNICAL PERFORMANCE

1 Star Model, Induction Motor Driven

SIZE (mm)	Power Input (W)	Speed (RPM)	Air Delivery (CMM)	Service Value CMM/W	Power Factor
Sweep 1200					
Base Model	50	400	215	4.3	Above 0.9
Decorative	52	360	225	4.2	Above 0.9
Sweep 1400					
Base Model	60	300	290	4.16	Above 0.9
Decorative	62	290	260	4.19	Above 0.9

PERFECT BLEND OF STYLE & SAVINGS

Cost Saving Guide - 1200 mm Sweep

Serial Number	Parameters	Units	Ordinary Fan	BLDC 5 Star
01	Power Consumption*	Watts	75	30
02	Assumed Usage per day	Hours	16	16
03	Power Consumption per day	kWH	1.2	0.48
04	Power Consumption per year	kWH	438	175
05	Electricity Cost per annum Rs 7/unit**	Rs	3066	1225
06	Saving per annum#	Rs	—	1841
07	Cost Saving	%	—	60

*At 230V, 50HZ, Wattage may vary by $\pm 5\%$ | **Tariff rate may vary from state to state

#Actual saving depends on usage & cost of electricity

Passion

- 60% Electricity Saving • High Speed BLDC Motor (Compact & Powerfull)
- LED colour mode & intensity mode • Smart Remote with Boost & Timer mode
- Easy to clean (Easy to instal & uninstal) • Contemporary look with wider Aluminium Blade
- Option of Triple Colour LED light in White, White Warm & Yellow
